# NOVEMBER MEETING DECISIONAL ITEMS

ANS Task Force approved the Delaware State ANS Management Plan.

The ANS Task Force approved the draft New Zealand MudSnail Management Plan to be posted in the Federal Register for public comment.

The ANS Task Force conditionally approved the Recommendations from the Joint Invasive Species Advisory Committee / ANS Task Force Early Detection Rapid Response Framework Implementation Work Group, pending inclusion of comments from ANS Task Force members.

# NOVEMBER ANSTF MEETING ACTION ITEMS

The Early Detection Rapid Response Subcommittee Chair will distribute the Rapid Response Template to ANS Task Force members and regional panels for comment.

The Outreach Subcommittee will develop guidance on best practices for inclusive language use within invasive species management. The Subcommittee will report on progress at the next meeting.

ANS Task Force members and Regional Panels should submit any additional input into the FWS Fish and Aquatic Conservation program's strategic plan using [fisheries@fws.gov](mailto:fisheries@fws.gov).

The Executive Secretary will work with Moss Ball After Action Report leads to complete a summary of the comprehensive report and distribute it for ANS Task Force Review.

# NOVEMBER ANSTF MEETING ACTION ITEMS

The Rapid Response Fund Working Group will reconvene to consider modifications to more efficiently streamline the review process, particularly for proposals that address national priorities or have a strong sense of urgency.

The Executive Secretary will schedule a regional panel principal meeting to discuss the Northeast panel recommendation on multi-state coordination and potential next steps for the Ruffe Management Plan.

The Control Subcommittee will distribute the Combined Plan Decision Making Guidance to the ANS Task Force and Regional Panels for review.
